

OBJECTIVES

The National Education Policy 2020 has been introduced with a vision of creating quality institutions, inculcating a culture of innovation, and developing a highly skilled workforce. NEP would transform the Educational Institutions in India and provide them the ability to attain a certain level, that they can be compared to the likes of the best in the world. NIT Meghalaya is organizing a one-day workshop on NEP 2020 on the 17th of February 2020 with the aim to energize the faculty for adapting to the new challenges and with the vision of engaging academic fraternity in meaningful assignment along with spreading awareness regarding NEP which will contribute towards the intellectual wealth of the nation. The workshop is open to faculty members of NIT Meghalaya in the physical mode and to other institutions in the online mode.

ABOUT NIT MEGHALAYA

The campus of NIT Meghalaya is located at Bijni Complex, Laitumkhrah at around 2 km from the Police Bazar, Shillong. The institute was established in the year 2010 with its permanent campus of about 450 acre is under construction at Shora, Cherrapunji. The dept. of Mechanical Engineering offers B. Tech, M. Tech in Fluid and Thermal Engineering and PhD programs with different specializations.

The scenic panorama of the valley, the breathtaking local view points, spectacular landscapes and lakes have made the city to one of the most popular destinations in the country. The nearest Umroi Airport, Shillong and LGBI Airport, Guwahati are respectively at distances of about 35 km and 130 km and the nearest Guwahati Railway Station is about 100 km from Shillong city. The temperature in the city during the period of workshop will be around 15-20°C.
