NITMGH/AA/SENATE NOTIFICATION/2022-23/594

Dated: 05 -01 -2023

NOTIFICATION

In pursuance with the Resolution of the XXXIst Senate Meeting dated 14/12/2022, regarding NEP implementations, this is to notify to all concerned that the following proposals have been approved by the Senate vide Resolution No. R3 (c)/SENATE-XXXI/22.

a) Major Degree:

After successful completion of the Programme, degrees will be awarded as per the following classifications based on the CGPA:

- Candidates who successfully complete the Programme within the minimum stipulated period for the Programme, with a CGPA of 8.5 and above, and on passing all the courses in the first appearance will be declared to have **passed the degree in first class with honors**. For this purpose, authorized break of study (vide regulation D.7) will not be counted.
- Candidates who get a CGPA of 6.5 and above, but below 8.5 will be declared to have passed in first class.
- Candidates who get a CGPA of below 6.5 and complete the course within the maximum prescribed period after joining the Institute will be declared to have passed in second class.

b) Long Term UG Internship:

Six months of internship shall be allowed to the B.Tech students during their 7th or 8th Semester, upon fulfillment of the following conditions:

- The internship is superior in nature and is in continuation or relevant with the topics/research undertaken by the student during the 7th or 8th semesters.
- It has a scope for job placement after completion.
- The Supervisor and the HoD highly recommends for the same.
- The appeal should be approved by the Chairman, Senate.
- A co-supervisor should be allotted from the Organization where the student will be doing the internship.
- The student should be physically present for the Class Tests, Midterm Exams and End Term Exam.

Process for applying:

- Before applying for the internship, the student through his Supervisor and HoD should apply for an NOC through Academic Office with reference to the above mentioned points (a to d), which should be clearly stated in the recommendations.
- Upon selection, an application along with an undertaking to fulfill the above mentioned points

(e & f) or with details of the Co-Supervisor, if allotted already, should be submitted to the Academic Office for approval of Chairman Senate.

c) Upon approval, attendance will be considered for the selected students. However, equivalent courses, which will be recommended by the DAC, should be covered through online learning (Swayam, NPTEL, etc). The credits earned through the equivalent online courses will be mapped as per the Institute's curriculum by the Grade Equivalence Committee. The students must also be in constant touch with the respective Supervisors and the HoDs.

d) Eligible students shall be allowed to choose any Professional Elective offered by the department. They will be allowed to register for the course even if the minimum number of students registering for the course is lesser than 10 students, as the students will be covering the course(s) online, under the guidance of the Supervisor.

For the current final year batch, the internship shall be applicable in the 8th Semester and from 2020 enrolled batches onwards, the same may be applicable in the 7th or 8th Semester.
Courses/curriculum shall be finalized in the forthcoming Curriculum Development Programme.

c) Minor Degree:

Proposal for Minor Degree (w.e.f. 2021 UG Batch)

A student may be allowed to register for a minor degree in a particular specialization offered by another department from 3rd semester onwards, provided he/she has a CGPA of 7.5 and above at the end of 2nd semester.

The credit structure to get a minor degree shall be 20 credits as mentioned below:

- 1) Specialized Theory Courses: Total 14 Credits.
- 2) Mini Project in the 7th or 8th Semester: 6 Credits (0-0-12:6)

The Course distribution over the semesters will be decided by the DAC offering the minor degree.

Eligibility for Award of B.Tech Minor Degrees:

- To be eligible for the minor degree award, the students must complete the specialization course(s) offered by the other department while maintaining minimum CGPA of 7.5 till the 8th Semester, without any "F" Grade / backlog course, gap period and with no disciplinary action.
- If a student does not become eligible for the minor degree, then the courses (of the other department) completed by the student shall be mentioned in the Grade Card, but not included for CGPA calculation.
- Courses for Minor Degree start from 3rd Semester onwards and students should plan registration for courses from the beginning in order to complete all the extra credits by the end of eighth semester.
- Students should be prepared to write more than one exam in a day.
- To discontinue from Minor Degree, the student must submit "Minor Degree Discontinuing Form" before the last date of course registration.
