Guidelines for the students

1. The question paper of ETE in two different parts (Part A and Part B) will be uploaded by the respective course instructors as per the time schedule.
2. The maximum mark of ETE paper is 100 (Part A: 50 Marks and Part B: 50 Marks) and for MTE it is 50 (only one part).
3. The answer sheets must be hand written and the same to be uploaded in the interface (Google Classroom) on time as stated below in the tables.
4. MTE and ETE summer term examinations are scheduled in morning and afternoon sessions respectively.
5. **Question Paper and timing:** For a single course (in ETE) two question papers will be uploaded having **Part A (Q1 and Q2)** and **Part B (Q3 and Q4)**. MTE paper contains only one part.

Guidelines for the course instructors

1. All course outcomes (COs) should be covered in the question paper with appropriate equal weightage among defined COs as per MTE and ETE papers.
2. Each question should be prepared such that the corresponding answer should not be directly available in the class notes/materials, text books (Essential & Supplementary), Internet and any other mode.
3. Every question may have OR option (not mandatory) with same CO and KL as depicted in the body of question paper format.
4. The question papers should be preferably numerical/analytical type as much as possible depending on the syllabus.
5. The End Term Exam should carry the weight of **100 marks out of 200 and for MTE it is 50**.
6. Requirements of any charts/tables/graph paper should be mentioned in the question paper below the line (*Each Question carry 25 marks*).
7. The question papers should be set in such a way so that the students can finish their writing within the prescribed time. And the question sets should not be too small or too large for the students.
8. The individual course instructor will conduct the examination (**as per the schedule routine**) using Google Classroom platform (**under assignment category**). **The students will upload the hand-written scan copy of the answer scripts in the interface.**
9. **The students need to be invited by the concerned instructor to the Google Classroom platform for the online examination and further evaluation.**
10. The instructor should ensure that a student is appearing a paper only if the student is registered in that paper. The course registration list is available in our website.
11. **Question Paper and timing:** For a single course (**in ETE**) two question papers will be prepared having **Part A (Q1 and Q2)** and **Part B (Q3 and Q4)**. **MTE contains only one part.**

Afternoon Session: The instructors may upload the paper at any time before 02.00 PM and the same will be available to the students sharply at 02.00 PM. Both Part A and Part B may be uploaded at the same time but should be scheduled at different times, i.e. Part A at 02.00 PM and Part B at 04:00 PM.
